

LWLB

TOTAL REWARD PLAN

About Our Company

Living Without Borders International is a transformational platform created to help individuals rise beyond limitations, discover their potential, and build sustainable lives and businesses through growth, education, and community

We empower people — not just with information, but with transformation. At LWB, we believe that true change begins from within, and when people are equipped with the right mindset, skills, and support, they can create impact that extends far beyond themselves.

LWB is a transformational community for individuals who want more than survival.

- More growth.
- More clarity.
- More impact.
- More freedom.

Our Vision

Our vision is to raise a global generation of purpose-driven entrepreneurs and CEOs who create wealth from their passions, build sustainable businesses, and become employers of labor—solving unemployment and poverty across borders.

Empowered People! Sustainable Businesses! Lasting Legacy!

Our Mission

Our mission is to empower individuals with free and accessible education, practical entrepreneurship training, and a supportive affiliate ecosystem that enables them to earn, grow, and fund their dreams—without limitations of background, location, or circumstance.

We are committed to:

- Making transformation accessible
- Turning passion into purpose-driven businesses
- Building leaders who create opportunities for others
- Supporting financial stability, asset ownership, and legacy
- Growing responsibly, ethically, and sustainably

Core Values (Non-Negotiables of LWB)

These guides leadership, partners, content, and culture:

1. **Human Capacity Development:** We believe every human being has untapped greatness waiting to be activated.
2. **Empowerment Over Exploitation:** People are built, not used. Education and growth come before earnings.
3. **Entrepreneurship as a Solution:** We believe entrepreneurship is the most sustainable answer to unemployment and poverty.
4. **Integrity & Transparency:** No false promises. No manipulation. No shortcuts.
5. **Community & Collaboration:** We grow faster and stronger together.
6. **Limitless Thinking:** No borders of race, geography, age, gender, or economic status.
7. **Service to Humanity:** Profit with purpose. Impact before income.
